June 26, 2026

Dear P.S. 38 Students and Families,

What an incredible school year we have had together! As we celebrate our last day of school, we want to thank each of you for making this year so special. We are so proud of all the learning, growing, friendships, kindness, and perseverance that our students showed every day.

To our amazing students: Keep reading, exploring, asking questions, and finding new adventures this summer. Remember to be kind, stay curious, and always do your best wherever you go!

For our families participating in **Summer Rising**, we look forward to continuing the learning and fun. Please remember to:

- Attend every day and arrive on time.
- Follow all school expectations by being safe, respectful, and responsible.
- Bring a positive attitude and be ready to learn, play, and make new memories.
- Continue showing kindness to classmates and staff.

Whether you are joining us for Summer Rising or spending time with family and friends, we wish everyone a summer filled with laughter, exciting adventures, good books, sunshine, and plenty of time to rest and recharge.

Most importantly, please stay safe, healthy, and take care of one another.

The entire school community cannot wait to welcome each and every one of you back for the first day of school on **Wednesday, September 10, 2026**. We are already looking forward to another wonderful year of learning together with our Family Carnival, schoolwide events, after school arts programs, Broadway shows, and the launch of our 120 seat NIA Compass afterschool program for students!!

Have a fantastic summer!

With appreciation,

Dr. Jason Cotto, Principal

Mrs. Mary Frisz, Assistant Principal

GOOOOOO DOLPHINS!! 🐬💙
